

MAHATMA GANDHI UNIVERSITY
BUSINESS INNOVATION AND INCUBATION CENTRE

BIIC/MGU/PDF1

6.08.2021

Advertisement for the appointment of Post-Doctoral Fellow

Applications are invited for the post-doctoral fellow position from eligible candidates to work on the research project entitled "*Healing of chronic venous ulcers / extensive ulcers by Nano-technology*" under the multidisciplinary project involving International and Inter University Centre for Nanoscience and Nanotechnology and Business Innovation and Incubation Centre, Mahatma Gandhi University funded by "*Dr N Radhakrishnan Foundation for Research on Venous Diseases*". The work would focus on the synthesis and optimization of biomaterials for tissue regeneration applications. The eligibility for the position will be Ph.D. (awarded or thesis submitted) in Tissue engineering/ Biotechnology with a good publication record. Preference will be given to those with engineering background, experience in bionanocomposite preparation, characterization, *in vivo* experiments and histopathology.

General Conditions:

- i. Selection will be based on academic credentials, interview and reference letters. The position will be purely temporary and will be for a period of 1 year.
- ii. Fellowship will be 47,000 with 8% HRA
- iii. Upper age limit will be 35 years as on 01.08.2021.
- iv. Interested candidates may send application by e-mail along with Biodata and Reference letters (2 no.) to the mail ID biicmgu2016@gmail.com and only shortlisted candidates will be invited for the interview. Last date for submission of application will be Aug 16,2021 before 5 pm.
