**About the Position**

We are looking for full stack Java developers to join our team. As a mid/senior level developer you should be comfortable around both backend stack and front end stack coding languages, development frameworks and third party libraries integration. You should also be comfortable with postgres DB integration with backend applications, with large volumes of data transactions.

**What you will do?**

- Developing Back-end stack website architecture and application
- Creating servers and databases for functionality.
- Integration and adding feature to existing backend applications.
- Seeing through a project from conception to finished products.
- Designing and developing API's
- Documentation and cross-platform optimization for mobile phones.

**Along with above you must be able to**

- Design, develop, test, deploy, maintain and improve software and systems.
- Make architecture decisions for large product features or new system.
- Assist other team members of the team in their roles.
- Participate in our agile development process.

**Job Requirement**

- 5-10 years of experience in software/applications development using Java stack, maven, springboot.
- Good knowledge of - Spring, Spring boot, Java/J2EE, Hibernate, Database – Postgres/RDBMS, Apache Kafka, Elastic Search.
- In depth understanding of data structures and algorithms.
- Hands on experience and working proficiency in developmental tools like Swagger2.0, Json, postman, Yaml, Open API contract, Git, Junit, CICD pipeline
- Experience in UI development using react/angular and UI/UX concepts.
- Experience in working with postgresQL,
- Experience in AWS-cloud/Azure/Google cloud technologies with micro service architecture and knowledge on Elasticsearch, kafka, API gateway would be an advantage.
- Experience of working on high data volume processing applications.
- Integration exposure with third party applications, Wallet and Payment gateway (Nice to Have)
- DevOps tools knowledge - Jenkins/Docker/Kubernetes (optional/added advantage)

### **Cut-off dates for eligibility**

The cut-off date for the purpose of eligibility on age criteria shall be 01/08/2022.
